Strategic Growth Insurance Associates, Inc. (SGIA) offers a specialized Medicare Assistance Program for consultants to offer their employer clients. SGIA understands your commitment to providing the best possible Medicare solutions for your employee groups. We are leaders in comprehensive Medicare assistance for employers, brokers and individual retirees. Our unique, personalized approach efficiently and cost-effectively transitions Medicare-eligible employees from their group plan to an individual Medicare plan.

Some key advantages of SGIA's Medicare Assistance Program for employer groups are:

- Customized program designed according for each employer's specific needs
- Lower current claims liability and premiums
- Lower future claims exposure
- Decreased administrative costs and significant time savings
- Increased benefit flexibility and coverage options
- Satisfied employee population with boosted morale

Our unique one-on-one approach for employees provides:

- Personal, confidential assistance from a Certified and Licensed Medicare Consultant and at no cost to them
- In-depth evaluation for each individual's unique needs
- Expertise in all areas of Medicare including Part A, Part B, Part C, Part D and supplemental plans
- Unbiased comparison of all major Medicare plans to find the most appropriate one based on their needs that is also cost-effective
- Completion, submission and tracking of enrollment applications and necessary documents
- Ongoing commitment to provide expert Medicare resources in a constantly changing environment
